Form 990, Part III, Line 1 - Organization Mission

Carnegie Council believes that the best way to address major international peace and security issues is to link thinkers and doers together in an ethical dialogue that reintegrates fragmented information into a broad-based, humanistic body of knowledge. To achieve this, the Council fosters a global network of academic partners, operates a global media platform, and produces public programming that convenes leading experts and the public. The Council's work serves as a bridge between the academy and the policy sphere, the academy and the public, and the academy within itself.
